Dr. Meads to Head Albany School Board

Dr. Philip F. Meads, chief research chemist for C & H Sugar Co. today has been elected president of the Board of Education for the third term.

The new executive head was elected during the annual re-organization of the Board Tuesday evening on a motion of John C. Longaker, newly-elected member.

Re-elected to serve as vice-president for the coming year was Dr. Leslie Bennett, chairman of the Physiology Department at the University of California. He was named on a motion of Mrs. Delsa Walton, retiring president.

In other action, the Board voted to investigate charges made by Longaker that inadequate textbooks are being used at Albany High School.

Longaker asserted that a teacher, whose name he did not disclose, complained that his mathematics class "was forced to use books published between 14 and 17 years ago—and couldn't get new ones."

Longaker, who said the matter was brought to his attention at an open house during Public Schools Week, charged that the only books available to the class in question were antiquated, "while many better ones were available. He warned that "it is time to think about correcting this."

Dr. Paul C. Bryan, superintendent of schools said that to his knowledge the matter had not been brought to his attention, or to the attention of William Woolworth, director of instructions.

Longaker answered that "if it hasn't been brought to your attention then the school's administration (Continued on page two)

Mayor Cross to Address Albany Democratic Club

Mayor Lawrence Cross of Berkeley will speak on the topic "What Is a Democrat?" at the first regular meeting of the newly-organized Albany Democratic Club, scheduled for Monday evening at Cornell School Cafeteria.

A short business meeting will be conducted by President Reginald Bronner starting at 7:30 p.m., followed by the speakers at 8:15 p.m. The club will be presented its charter at that time.

Other speakers will include Agna Bjornson, candidate for State Senate from 16th District; Stanley Crook, candidate for Congress from 7th District, and Winton McKibben, candidate for State Assembly from the 18th District.

"It is the aim of the Albany Democratic Club to encourage a greater interest in the principles and platform of the Democratic Party," said Bronner, "and present to the people of Albany and the surrounding area the Democratic view so they may weigh the issues of the forthcoming election and future elections."

"We extend an invitation to all people of the Albany area, whether Democratic or Republican, to attend and participate in the meetings in order to find out both sides and be able to vote as well-informed Americans."

Refreshments will be served following the program.

OVER 200 Albanyans turned out Monday to greet Goodwin J. Knight when he made a short campaign stop at the Freedom Shrine. Mayor Lewis Howell officially welcomed the Governor to Albany, and William Bowman introduced him to the people. The Governor spoke briefly on California and its problems. The local visit was arranged by Albany and Berkeley campaign leaders.

Key System Orders Cut On 'G' Line

Key System served notice on the Albany City Council Wednesday that "off peak service" on its "G" line will be discontinued effective June 1.

R. Worthington, Key System traffic engineer, said that between 8:15 a.m. and 3:50 p.m. the "G" line direct service to San Francisco would be replaced by a "bottle service" making connection with the "C" train at 40th and San Pablo Ave., Oakland. The new service would be in effect all day Saturday.

Worthington said that 90 per cent of the bus traffic on the "G" line is carried before 8 a.m. and after 4 p.m. An average of eight passengers are carried on each bus crossing the Bay during "off peak" hours, he said.

C P Leaders Need Volunteers

Robert J. Foley, City Attorney and Albany chairman of the 1954 Cerebral Palsy campaign and Wilfred J. Harpham and Hammond K. Holt, local attorneys and co-chairmen of the drive need help. In a joint plea they state:

"It's as simple as this. There are 5000 plus homes in Albany and each of these homes is to be visited on the night of June 4 by volunteer 'marchers' for the purpose of collecting contributions for the United Cerebral Palsy Association of Alameda County. We have the nucleus of an organization for this 'calling on homes' night already established in a number of 'wards.' What we now need are other volunteers to see the job properly done."

"The United Cerebral Palsy Association is performing wonders against this horrible crippling disease. The work of the Association is so well known that explanation here would be superfluous. If proof is needed, ask any child or the parents or other relatives of any child afflicted."

Volunteer "marchers" may either telephone or call at the offices of Harpham and Holt, 904 San Pablo Avenue, LAndscape 6-8656. They

The money we lent our Country
has bought our richest rewards

We were just trying to keep our Country strong and prepared when we bought our first Defense Bonds. Those were the uneasy days of 1941, thirteen years ago this month.

It was only after V-J Day that we began to realize that we were doing far more with our Bond buying than lending our Country cash for the war effort. Here's what we saw happening:

All over America new homes were being built with Bonds. Farms were producing more crops with Bond-bought machinery. Sons and daughters were getting extra schooling. And the dream of owning a business of his own was coming true for many a man who had Bonds to give him a start.

U. S. Savings Bonds have helped Americans save on a scale brand new in history—a record unmatched anywhere in the whole world!

Today more Bonds are held in our hands than ever before in the history

of these thirteen years—thirty-seven billion dollars worth of them!

Last year we bought 22% more Bonds than the year before; and the figures show that we are holding our Bonds for maximum return—three-fourths of all matured E Bonds are still being held at interest by their original owners.

Yes, it's a happy anniversary story for America's Bond buying habit.

If you're not already buying Bonds—try the easy Payroll Savings Plan

Save any sum you wish—a couple of dollars a payday or as much as you can spare. You never miss the money because it's saved for you—before you even get your check. And when enough has accumulated it's automatically invested in a Series E Bond, in your name, and the Bond turned over to you. Then your savings begin earning you an average 3% interest, compounded semiannually, when the Bonds are held to maturity!

The Savings Bond Habit Brings Happy Returns—Buy more in '54!

to the Nation by service in the Arm-
ed Forces of the United States; and
WHEREAS the third Saturday in
May has been designated for ob-
servance of Armed Forces Day;

NOW, THEREFORE, I, Lewis

urday May 15, 1954, shall be recog-
nized throughout the city as Armed

ALBANY SOROPTIMIST

Mary Carle introduced Gina
McCoy as guest speaker at Wednes-
day noon meeting of the Albany So-
roptimists. Mrs. McCoy gave a very
promising picture of the proposed
"People's Station" KQED-TV; at
this time \$194,928 has been received
in grants and pledges and an addi-
tional \$80,000 is needed to put the sta-
tion on the air.

The purpose of the privately spon-
sored station is to provide TV pro-
grams of a more intellectual nature
than is currently possible. Children's
programs will have special attention.
Anyone wishing to be a member of
the KQED-TV group may send \$10
to KQED, San Francisco, which en-
titles family participation in all pro-
grams and also gives the family a
vote in deciding the type of pro-
grams, etc.

The Albany Soroptimists went on
record in supporting the new station
and many of the members will partici-
pate in a \$10 membership.

May Ellis Olson was appointed
chairman of a Senior Citizens Com-
mittee comprising Kay Kriz, Bernice

Boyd and Marge Bishop. The com-
mittee will meet during the coming
week to formulate plans for form-
ing a non-profit corporation with
cooperation of other Albany clubs
to raise money for the purpose of
construction of a social hall for Al-
bany's Senior Citizens. This will be
a long-term project, but the enthusi-
asm behind the program by members
of the Soroptimist Club promises
much activity in this venture during
the coming year.

A \$100 gift was donated by the
Albany Soroptimists to the Sre J.
Irwin Scholarship Fund, sponsored
by the Native Daughters of the Gold-
en West. Nine years ago next week,
Sre Irwin organized the Soroptimist
Club of Albany and installed Grace
L. Higgins as Albany's first Sorop-
tist president.

Next week's meeting will be a
luncheon at the Cottage, Albany High
School, sponsored by the Senior Class
in honor of Mrs. Ida Cherry. Guests are wel-
come.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

MEMBER, THE ORDER OF THE GOLDEN RULE

Individualized

Our services might well be described by the word "individualized," for we have no routine method of making the arrangements and conducting the services. Instead, we take care of every necessary detail, and make the arrangements for the services in complete accordance with the wishes of those we are serving.

We do this because we want to serve as the family wishes to be served, not by a routine which we have attempted to perfect. We encourage the families we serve to express their preferences that we may proceed with this information as our guide.

Senior Citizens Tour Peninsula, Golden Gate Park

Albany's Senior Citizens took a visual tour of Norway, Sweden and Denmark via colored slides in an arm-chair excursion conducted Tuesday evening at the Recreation Center by Mrs. Laura White, member of the Oakland-Berkeley-Albany speakers' bureau.

Some 36 members turned out bright and early Monday morning to board the chartered bus which took them on an all-day tour of the San Francisco Peninsula. They visited Stanford University campus and then to Menlo Park where they had lunch at the "Little House," an \$80,000 recreation center provided for Senior Citizens in that area. The group returned by way of Golden Gate Park where they visited the Tea Garden and other places of interest.

Group singing, harmonica selections by Mrs. Anna Guthridge and zither music played by Mrs. Mary Black highlighted the bus tour between stops.

Arrangements for the trip were made by Mrs. Annalell Denham, member of the Albany Soroptimist Club, which sponsors the Senior Citizens in cooperation with the Albany Recreation Department. Others making the trip were Soroptimists Kay Fritz, Kay Hill and Nell Moore, along with Estelle Bevenue of the Recreation Department.

The Senior group, open to all "over 50," has scheduled its next meeting for Wednesday, 1 p.m., at the Recreation Center, 850 Masonic Ave. Plans are now being made to enter a float in the Fourth of July Parade and to organize a choral group. Interested vocalists are requested to contact P. D. Farling at LAnd. 4-5715 or LAnd. 5-5174.
